

# LEANING INTO LOVE

A SAFE PLACE TO LAND

A STRONG PLACE TO LAUNCH

## LIL Tip ✨

Hi lovely! This week's LIL Tip shares our love of celebrations and our need for simplicity. When you have an easy-to-grab box of decorations, you can easily make special days festive.

How to do it:

- Fill a box with streamers, banners, confetti, party hats, etc.
- Put it somewhere you can easily access it
- Decorate before the kids get up on any day you want to celebrate
- Put it all back to use again
