

LIL Tip +

Hi lovely! This week's LIL Tip focuses on how to say thank you to the teachers we love in meaningful ways that are meaningful and easy.

Simple ideas for teacher gifts when you have a lot to buy for but not a lot of time:

- Thank you for going the "Extra" mile with pack of gum attached
- Thanks a latte for all you do with coffee gift card
- Printed page from Etsy with fill-in-the-blanks
